Parenting Tip of the Month: Children grow and learn in a family. As parents it is our task to help our children understand who we are and what we believe as a family. We accomplish this when we interact with each other, both at work and play. Talk openly about your morals and values, explaining why they are important, and teach your children that faith provides a solid foundation for every aspect of their lives. Knowing who they are provides guidance throughout their lives. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

Marriage Tip of the Month: Summer often brings a little reprieve from the bustle of our busy lives. It's a great period to spend some extra time with your spouse reconnecting as a couple. Share a coffee in the early morning, read the same book and talk about its content, take daily walks together, spend some relaxed time preparing meals. Tranquil moments together reduce our stress and remind us that being together is both enjoyable and loving. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)
