ECO CORNER

Care for Creation

In his Encyclical Letter *Laudato Si'* On Care For Our Common Home, Pope Francis tells us that: 'Inner peace is closely related to care for ecology & for the common good...' that we "take time to recover a serene harmony with creation...contemplating the Creator who lives among us & surrounds us...being fully present...accept each moment as a gift from God'. Adding in paragraph 227: "One expression of this attitude is when we stop & give thanks to God before & after meals. I ask all believers to return to this beautiful & meaningful custom. That moment of blessing, however brief, reminds us of our dependence on God for life; it strengthens our feeling of gratitude for the gifts of creation; it acknowledges those who by their labours provide us with these goods; & it reaffirms our solidarity with those in greatest need". -THE GREEN TEAM
