Works of Mercy can serve as a guide for care for creation

Converting the sinner: takes on new meaning for each of us to convert consumer lifestyles to ones of sustainability so there are resources for future generations. Fast from driving one day a week. Think about CO2 emissions before making a jaunt to the store or taking a trip. Replace incandescent lightbulbs with energy saving bulbs. Keep holy the sabbath by sharing a meal with family and friends or by taking a quiet, leisurely walk in nature rather than racing from shop to shop in a mall. Small sacrifices-turning the thermostat down or up according to the season and wearing appropriate clothing – renew the meaning of *sacrifice*, which mean “to make holy”. – Catholic Update Oct 2008

Parenting Tip: Parenting is a profound vocation, one that requires great stamina and loads of love.

Fortunately, God has provided parents with both! Character is at the forefront of all parenting because our kids are watching more than listening! The task of parents, once they bring life into this world, is to center themselves on guiding their child(ren) to maturity. It is a job that requires ongoing learning, teaching and always witnessing to our faith. No one has a greater influence on a child than their parents. Embrace your vocation with dedication and perseverance. Ask God for guidance and support and be confident that your children, by observing you, will learn to be wonderful, faith filled adults whose lives will be find joy and success!
