weekend, March 14/15th. Any parishioner is welcome to borrow books or videos and we ask that they be returned in one month from when borrowed.

Materials may be returned any time to the wooden box in the Narthex or in the designated slot in the Sacristy, or directly to the Library. *Please do not return to any other places or with other people, as they may end up being misplaced and you will be responsible for the lost material.*

Praying for the living and the dead: leads us to listen to the voices of people in Africa suffering from hunger and drought due to global warming, of polar bears becoming extinct as ice caps melt, and of the rainforests and the forest people dying in the struggle to maintain the lungs of the planet. – Catholic Update Oct 2008

Looking for Support for your Marriage – Does your marriage feel like it is more trouble than joy, does it feel stagnant, or disconnected? Is it causing you constant stress? The solution is **Retrouvaille** – whose one purpose is to help couples restore their marriage and rebuild a loving relationship. This is a practical program, where sharing is not required except between the couple themselves. It is designed to improve communication, build stronger marriages, and help couples reconnect. This is for struggling couples, including those who may be considering separation or divorce. The next Retrouvaille weekend is March 13-15, 2026. Call 905-664-5212 or email 1013r@helpourmarriage.org.

Medication Management Research at University of Toronto.

Managing multiple medications can be difficult for people dealing with chronic conditions and their loved ones. At Ready Lab in the University of Toronto, we are researching and developing tools to help manage medications, particularly for those with challenges remembering to take them. We are looking for people to participate in short interviews about how they manage medications for themselves or their loved ones. If you would like to participate, please call Regina Mundi parishioner, Chuma Asuzu, at (365)888-3204 or complete the survey at uoft.me/medpackaging.

Reel Justice Film Festival Join us for our March screening of **Living on One Dollar**. Four college students from the United States travelled to rural Guatemala to live on just \$1 a day for two months. They battled hunger, parasites, and the realization that there are no easy answers to solving extreme poverty. Yet, the generosity and strength of their neighbors left them a resilient optimism. \$56 for 56 days, how would you survive? There is no discussion with this screening. Watch the film any time once you receive the link on **March 26th**. Registration required. Register and view our full schedule of events at: <https://hamiltondiocese.com/reel-justice-film-festival/> A partnership between the Bishop Farrell Library & Archives and Development and Peace – Caritas Canada, the Reel Justice Film Festival shines a spotlight on issues of social, political, and economic injustices.
