Reel Justice Film Festival Join us on **May 28th from 7 – 9 p.m.** for our last screening of the season with **War for the Woods**. The film follows journalist Stephanie Kwetásel'wet Wood as she underscores the impact of clearcut logging and the devastation of old growth forests. Clayoquot Sound, B.C, the site of protests against clearcut logging 30 years ago, serves as the backdrop as the film explores how First Nations and environmentalists are again taking a stand to balance environmental stewardship with economic needs, as protecting these ancient forests becomes ever more complicated. **The screening and discussion will be hosted online via Zoom.**
