Peter Ciallella, Pastor of Blessed Sacrament Parish, Burford, will offer a conversation regarding ministry to temporary foreign workers in the Diocese of Hamilton. The Reel Justice Film Festival is a partnership between the Bishop Farrell Library & Archives and Development and Peace.

Parenting Tip of the Month: COVID-19 continues to dominate and control much of our lives. All of this affects children, but since they take their cues from adults in their lives, we can help them to feel resilient. Remind them of how happy you are, despite all that is happening that you are together as a family. Remind them of the beauty of nature that is all around for them to see and enjoy, that technology lets them connect with other family and friends and that through all of this we can continue to pray and ask for God's blessings. When they hear anger and frustration, they feel worry and concern; when they hear optimism and calm, they too feel those emotions as well. Let us remind our children how much we love them; help keep them strong during the pandemic. From: Family Ministry Office.

Marriage Tip of the Month:

Listening may be the most important aspect of any relationship, but it is also the hardest part for us to get right!

Listening requires our full attention, not just to the words spoken, but also to the emotions attached. Doing so allows us to understand how our spouse is feeling and, if we listen attentively, to repeat back what we are hearing. When we do this without first making a defensive reply, issues get resolved and our spouse feels supported. Then we can reverse roles, expressing our thoughts and feelings on the issue, as our spouse becomes the listener. Happy couples work on these skills until they become second nature, thus keeping their relationship bond strong. From: Family Ministry Office.
