On November 5th Daylight Savings Time ends, clocks go back we & are reminded to keep our families safe by changing our smoke & carbon monoxide detector batteries. BATTERIES contain toxic metals such as lithium, cadmium, nickel & mercury & when dumped into landfills can burst, poisoning soil, ground water & plant life. Animals often mistaken them for food & die when batteries burst in their stomachs. As good stewards of God's Earth we strive to keep all life safe by properly disposing of used batteries. You may bring your dead batteries to church during the two weekends of **November 4/5th & November 12/13th** & drop them in the green bins in the narthex. THE GREEN TEAM will safely dispose of them...just one way that Regina Mundi is caring for Creation.

Adam will be away these days, and Mass will be cancelled on Thursday, October 26th and Friday, October 27th. The theme of the seminar is *Parish Vitalization*. Please pray for the priests of the diocese during this time of ongoing formation.
