Are you aware that as a baptized Catholic YOU have a calling (or a vocation) in life? This is YOUR unique purpose. Do you live with this purpose in mind? On Saturday, November 23<sup>rd</sup> join Branches Catholic Ministries at the Scotiabank Convention Centre in Niagara Falls, Ontario as it hosts **Regenerated 2019** with an urgent theme, **"You Are Called"**. Keynote speakers such as Jackie Francois, Matthew Leonard and others will address the responsibility each of us has to discern this and how urgently we must heed the call! Regenerated Youth will run concurrently for ages 12 to 18. If you are interested in purchasing "early-bird" tickets or for more information about these Conferences visit [branchesoftheword.org](http://branchesoftheword.org) or call Branches at (905) 685-7000.

**Parenting Tip of the Month** - Helping our children to become

less focused on themselves and more interested in their neighbour is an essential role of every parent and caregiver. Children do not often think of others before themselves in the early years of their lives, so from a young age be sure to set clear limits on their behaviour and the "things" they get, so they don't become entitled; praise them whenever you witness an unselfish act, no matter how small; model unselfish behaviour both within and outside the home by sharing time, goods and talents. Children thrive in relationships, show less anger and aggression and feel good about themselves when they look outward, not inward. Jesus himself taught that next to loving God, loving neighbour is our most important role in this world.

**Marriage Tip of the Month** - It is important every now and

then that spouses deliberately consider the needs and/or desires of their partner over their own, even if it may not be their first choice of action. Acknowledging a spouse in this manner, in a variety of different circumstances, tells them that you are listening when they express their feelings/desires, puts their needs above your own and makes them feel both cared for and listened to by the one they love. When both remember to act in this manner, couples feel closer, see less anger in their relationship and experience the satisfying feelings of being cared for - a win-win for everyone!
