From the Pastor's Desk

In the Beatitudes, Jesus turns the world's values upside down. Those we might consider weak, unsuccessful, or forgotten are called blessed by God. The poor in spirit, the meek, the merciful, and the peacemakers are not praised for their power or achievements, but for their trust in God and their openness to his grace. Jesus does not promise an easy life. He names mourning, hunger, persecution, and sorrow as real parts of the disciple's path. Yet he also reveals a deeper truth: God is present and at work precisely in these places. The Beatitudes assure us that suffering and faithfulness are never wasted in God's kingdom. This Gospel invites us to examine what we truly value. Do we seek comfort, recognition, and control, or do we seek the kingdom of heaven? To live the Beatitudes is to allow Christ to shape our hearts after his own—humble, merciful, and pure—trusting that true happiness is found not in what we possess, but in belonging to God.

NEW! Saturday Good Shepherd Atrium

The Catechesis of the Good Shepherd (also known as “the Atrium”) is a parish-based ministry at Holy Cross Parish. It is open to all children between the ages of 3 – 13, offering them a unique opportunity for faith development. This program, founded in Rome, is a soundly traditional method of allowing children to enter more fully into the mystery of God using the principles of Montessori education. The sessions provide presentations, materials and a sacred space where the children can grow in their personal relationship with God, as it is first proclaimed to them through Jesus, the Good Shepherd. ***The next session is Sat, Feb 7 from 9:00-10:30am. For further information please contact the parish office.***

Hospital Stays

For your information - Due to privacy laws, the hospital does not provide us with a list of Catholic patients as was the practice in the past, even if you give them information about your religious affiliation when admitted. This is just a reminder that if you find yourself or a loved one in the hospital and wish to have a visit from Father, please contact the office so we don't miss you! If it is an emergency, ask a nurse to contact the on-call priest.

Sanctuary Lamp

You may wish to donate the Sanctuary Lamp in memory of a deceased loved one. Please contact the parish office for further details.

HEALTH & WELLNESS COMMITTEE

February is National Therapeutic Recreation Month

Humans are wired to connect. Social connectedness helps buffer stress, reduce symptoms of anxiety and depression, and even improve physical health. Recreational Therapy (RT) is a systematic process that uses recreation and other activity-based interventions to address the assessed needs of individuals living with illness, disabling conditions, and/or adverse circumstances. It's goal is to promote psychological and physical health, recovery, and well-being. Recreational Therapy aims to restore, remediate, or rehabilitate a person's level of functioning and independence in life activities. Recreational Therapists work in a variety of clinical and community settings, using their unique expertise to help individuals overcome barriers to well-being and participate in meaningful leisure activities. For more information, visit the Canadian Therapeutic Recreation Association: www.canadian-tr.org/resources-new/tr-month-2/ or Therapeutic Recreation Ontario: www.trontario.org

Healthcare Services through one number 1-844-806-3093

The Connected Care Halton Ontario Health Team Navigation Line connects community members directly to the right health, social, and community supports, all through one number. People can call for support with palliative care, mental health and addictions, senior services, caregiver support, disability services, cold/flu/COVID questions, and more. Callers are guided to the most appropriate next step, whether that's a warm transfer to the right support line, a health or social service program, or a community resource. This Navigation Line was created to reduce barriers, enhance patient experience, and ensure timely access to the right care when it matters most.
