Nothing is impossible for God. Jesus brought Lazarus back to life after he had died. Many people began to believe that Jesus is the son of God after this miracle.

Pray with our children for the grace to understand that nothing is impossible for God. When times are difficult, we can always turn to God for help.

Reflection: The incident of the raising of Lazarus reminds us of God's purposeful

presence with us, even in our hardest moments. As we face struggles and unanswered prayers, we are being reminded: 'God's delays are not His denials!' It's a reminder that our faith needs more than belief; it needs trust – a profound confidence in God's timing and wisdom, even when we feel abandoned. Pain isn't without purpose; it's often a reminder that we are loved and being prepared for something greater. Like gold tested in fire, our faith strengthens through trials. By moving from merely 'professing with our lips' to 'trusting with our hearts' we embrace a life of resilience, assured that every struggle is for our good. *'God's Word, Daily Reflections 2026'*
