With our most recent financial report tabled we mentioned we would be seeking new opportunities to raise funds for the Church.

One area that you may have not considered is to incorporate charitable giving in your estate plan, which can help support the Church of Christ the King. In addition to giving to the Church which has played an important role in your life, there may also be significant tax advantages for you. Deciding how to distribute your estate in advance helps ensure your loved ones and important charities will be taken care of at your passing. There are many ways to achieve this goal. Your advisor can share practical solutions that may help offset taxes on assets you pass on to your beneficiaries, including charities such as Christ the King. Whether you are giving a little or a lot, there are many ways you can make a meaningful difference plus you can take advantage of tax incentives to maximize your giving. Thanks for your consideration of arranging future gifts through your estate planning.

**Reflection:** Jesus does not bequeath us any material inheritance, for it can be stolen, misused, destroyed or litigated against. Rather, at the Last Supper He prays to the Father to grant us eternal life (cf. Jn 17:2, 24). Thus, Jesus registers us on the Eternal Life Assurance Policy (ELAP). When one registers with a life assurance company, one has to indicate the premium of one's choice, that is: the amount of money to be paid; how often it must be paid; mode of payment (cash, bank order, etc.). Beloved, on our case, the amount Jesus paid is priceless, the frequency is "once and for all" and the mode of payment is through His most precious blood. While some do not live long enough to enjoy the benefits from an earthly assurance company, with ELAP even death is gain. It is the beginning of enjoying the ultimate benefit!
