VIRTUE OF THE MONTH - OCTOBER

“And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.”
Hebrews 11:6 During the month of October, our Catholic Schools are celebrating the virtue of **FAITH** for our faith is the foundation of who we are. Our faith brings us together for we share a common belief in God and in the gospel of Christ. We are rooted in the Catholic faith and as a community, express our identity through living out gospel values. Our faith must be manifest in three interconnected directions: spiritual growth, community building, and outreach. As a caring school community, we encourage our students to examine and evaluate their beliefs. We want them to make informed moral decisions, integrating faith with life.

Please pray for our Catholic students; may they grow to become discerning believers formed in the Catholic faith community; effective communicators; reflective and creative thinkers; self-directed, responsible, life-long learners; and collaborative contributor who live their Catholic faith.

People considering “Medical Assistance In Dying (MAID), a euphemism for Euthanasia, are in great confusion about this matter and need to become more aware about what our faith says about it. What does it truly mean to use MAID? What is “Redemptive Suffering”? Bishop Noel Simard has prepared a seminar on these topics.

The talk and after, a Saturday Liturgy will be at Our Lady of Hope Church on October 18, 2025, beginning at 8:30 a.m.

Thank you to all who donate to our parish family of Christ the King! Thank you!

Ten lepers were cured, but only one came back to thank Jesus. How often do we take the time to truly thank God for all of the wonderful things that He has given to us? Pray with our children for the grace to appreciate God's many gifts for each of us and to remember to say thank you for these, always.

Reflection: The Gospel of today has many interrelated dimensions: of healing, of gratitude (or lack of it) and of the Samaritan, who is a foreigner. We are told of ten lepers who asked Jesus for ‘mercy’; they were asking Him to cure them of the disease which had made them outcasts in their society. Realizing their suffering, Jesus heals them instructing them “go show yourselves to the priests.” They did so with diligence; delighted with their healing they completely forget who has cured them. All of them but one who is a Samaritan, a “foreigner”, go away, the Samaritan coming back to thank Jesus, falling at His feet and praising God. Jesus is prompted to ask ‘Were not ten cleansed? Where are the nine?’ We need to introspect on the way we often treat ‘others’: those who are not like us, the strangers in our midst.
