#### THANK YOU

At this time, I would like to express my sincere thank you to the many volunteers who have helped this parish community during the time of the restrictions imposed because of the pandemic. Most people were probably not aware that at each celebration in the church we had eight volunteers which included greeters, people to sanitize hands and people to sanitize the church after each celebration. These devoted volunteers gave much time and energy so that those who did come to church could feel that they were in a safe environment. The work that they have done truly was remarkable and I am most grateful. At this same time, I would also like to thank our musicians and those who have helped in any way with live-streaming, so that many of our celebrations extended beyond the walls of the church into the homes, not only of our parishioners, but to many faithful people in the community. Together, I hope and pray that we have come through the worst of this ordeal and now I hope we can move forward to continue to be a parish that is truly alive.

#### CONGRATULATIONS!

TO PAUL & SHARON GAUDET on their  
58<sup>th</sup> Wedding Anniversary.
