CATHOLIC WOMEN'S LEAGUE

Re-affirmation of CWL Officers to take place on **Sunday, 25th February at the 9:30 a.m. Mass**, followed by K of C breakfast in the parish hall. All members are welcome.

The "Night of Chocolate Delights" fundraiser for Addiction and Mental Health services went over with a chocolate explosion. This would not have been possible without the generosity of the parish at large. I wish to thank all who provided the chocolate delights and all who decorated and gave of their precious time to make this event a huge success. Once we have finished calculating the proceeds, I will post for all to see. I wish to also thank the Knights of Columbus of our parish for their support in our endeavour. This was the first event that was hosted by three CWL councils, St. Francis de Sales, St. Columban's and St. Peter's, with the help of St. Francis K of C. Thank you again for making this an awesome event.

ST. VINCENT DE PAUL

During Lent we embark on our Lenten Calendar initiative, wherein for each week in Lent we request donation of specific food types for use at our Food Bank. Typically during Lent we all give up something such as coffee, chocolate or beer. By utilizing the Calendar you will be giving up some of your worldly goods, rather than a specific treat to the benefit of the poor in our area. As the Scriptures often advise us, we must all make an effort to share our good fortune with the less fortunate and the Lenten Calendar provides a means to do just that. Thank you in advance for your generosity and as information, our Annual Report is printed on the back of the calendar.

SHARE LENT IN THE NAME OF PEACE

For this year's Share Lent, Development & Peace is encouraging us to come together for peace! You will find inspiring testimonials in the Mini-magazine which will be distributed in the coming weeks. During this first week, our search for peace takes us to Cambodia to meet ICSSO, a Development & Peace partner that works with minority indigenous communities to help them have their rights recognized by the government, defend their land against corporate interests, and develop sustainable economic activities that enable them to live with dignity.
