### **SYNOD 2021 - 2023**

What is a synod? It is the official process of the Church of listening to the guidance of the Holy Spirit on a particular subject.

This synod, initiated by Pope Francis, is intended and designed to allow the Pope and other leaders of the Church to hear from the people of God on what the Holy Spirit is saying to our Church today and how we can become a more synodal, listening Church, one in which we all journey together in the path set out for us by the Holy Spirit.

Pick up a copy of the fundamental questions we are asked to reflect on, at the doors of the Church. Reflect on them and let us hear from you in writing (drop off in the basket in the glass house, or by email). These questions can also be found on our website.
