The Holy Spirit is the inexhaustible source of God's life in us. Man of every time and place desires a full and beautiful life, just and good, a life that is not threatened by death but can still mature and grow to fullness. Man is like a traveler who, crossing the deserts of life, thirsts for the living water: gushing and fresh, capable of quenching his deep desire for light, love, beauty and peace. We all feel this desire! And Jesus gives us this living water: he is the Holy Spirit, who proceeds from the Father and whom Jesus pours out into our hearts.

"I came that they may have life, and have it abundantly," Jesus tells us (John 10:10)

Pope Francis
