PARENTING TIP OF THE MONTH: We are constantly teaching our kids by what we choose to make a priority. We encourage schoolwork to be done well, engage in extra-curricular activities for fun and development, pray and attend Mass so faith stays at the forefront of our family values. We are however, also teaching our children when we are not trying to teach them. In those moments we are silently saying, you matter and I love being with you, that family time to relax is vital to good mental health and that undertaking chores together connects us as a family. So, enjoy the non-teaching times because they matter more than you might think! (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)
